MINISTRY TEAMS

DIRECTORY
AUTUMN 2019

Our values
include

*#We are spiritual
contributors
we all get to play
our part*

*#We will give of
our best, since
we are here to
serve a name not
make one*

*#We love being
together, since
God lives within
His Church*

"From whom the whole body, being fitted and held together by what every joint supplies, according to the proper working of each individual part, causes the growth of the body for the building up of itself in love."

Ephesians 4:16

Welcome to this new edition of our ministry team directory.

Someone once said that there are two important days in the life of an individual.

- The day they were born
- The day they discovered why they were born.

God has us here for a reason, it's our destiny. The journey into that discovery often starts by finding serving opportunities, which leads to us then discovering our gifts and talents.

"We can all be great, since we can all get an opportunity to serve."

Mother Theresa of Calcutta

Serving is also important for you to discover and develop **leadership** in your life, which will not only bless this church, but will in turn overflow to bless you, your family, your work place and your community. We can grow into awesome leaders.

We are not an adult church, but a believer's church, which means we all get to serve, including our kids, our youth, students and right through to all our seniors. There is a place here for everyone.

There is room for you!

Further, church is not a front-end driven organisation, but a healthy body with Jesus himself as the head, and we are all a part of this body, we all must find our place. In fact, church cannot happen if you do not play your part.

Find a need and meet it, find a hurt and heal it.

All our pastors and leaders are always on hand to help you grow, move forward and take ground. We will always positively and enthusiastically encourage you to take one more step in your Christian walk.

On behalf of the whole church, I want to say a huge big thank you to everyone who leads, serves and volunteers. It is you, by the grace of God working within you, that makes this church what it is and is becoming.

With best wishes

Andrew Owen

Senior Pastor Destiny Church

Hi Everyone

There is no better place to be than serving in the House of God, Psalms 84:10 gives us an insight into this amazing truth.

"A single day in your courts is better than a thousand anywhere else! I would rather be a gatekeeper in the house of my God than live the good life in the homes of the wicked"

I have served in many teams throughout my time here at Destiny Church, and each one of them was significant for me as I pursued the destiny that God had planned for my life.

We should note that it's not all about the result, God is just as interested in the process involved as achieving that result - serving is an instrumental part of the process, that helps you grow!

**Where are you meant to serve?
What part are you destined to play?**

This directory is a window into what we as a church are currently doing. It is exciting to see what's going on, and yet there is more to come.

Have you found your place yet?

If you are unsure, then please feel free to contact me via the details below. I would love to help you discover the part you can play in advancing God's Kingdom here in Scotland and beyond.

We are continually looking to expand the number of our ministry teams. If you have a desire to serve in an area that is not already listed and we also believe God would want to started, please contact me. I would love to help you get this new ministry up and running.

I look forward to hearing from you as God stirs your passions.

Destiny Ministries

Destiny has become an international family of churches under the oversight of Destiny Ministries. We describe ourselves as a 'contemporary apostolic movement'. All our churches are 'interdependent', working under the oversight of an apostolic team, and committed to working together. They all input where they can to reach our world. We don't want to make a difference in our world, we want to make our world different.

Indian Orphanage

The first orphanage was successfully completed in 2004. Over the years 160 children have experienced care and support from the orphanage. Many are now in local families, or have moved on to work or further education. We are grateful that so many children have been helped, but the need in this poor region is vast.

In 2006 we purchased a neighbouring plot of land with a vision to build an enlarged orphanage. Our existing building can house 25 children at a time, the new building will be able to accommodate over 75 children. This new orphanage is almost complete with the official opening targeted for the start of 2020. This new building will offer a amazing opportunities for people to go and support this project. For more details contact Ivan and Daphne.

Media Team

The Media team provides top-level service to the church, working with every ministry team in our local church and church network through audio, lighting, video and graphical presentations. This equips and enhances the outreach and commission of Destiny Church to the world.

We will place volunteers who have no prior experiences into events with staff trainers that can help them operate the equipment and learn, both by observation and by doing. Additionally, as key concepts are grasped and volunteers gain traction through the course of hands-on training, the training wheels will come off and we will begin providing opportunities for you to serve in events that we're confident you can handle on your own.
